Version 1.0. Updated 1 September 2021

With the support of its [Collaborating Centres on Training and Education](#), WOAH has produced its first Training Guidelines. The purpose of these guidelines is to provide a framework for the development of quality eLearning modules for the [WOAH Platform for the Training of Veterinary Services](#). They can also be used by any education provider or country to develop their own eLearning modules.

Guidelines for the development of OIE online modules: core requirement

KEYWORDS

#eLearning, #guidelines, #training, #Veterinary Services, #World Organisation for Animal Health (WOAH).

WOAH (founded as OIE) is a global organisation, working to ensure the health of animals across the world. Since 1924, we have focused on the complexities of animal health. We disseminate information on animal diseases and use science-based strategies to limit their potentially negative impact on society.
