Building Leadership in Veterinary Services

World Organisation
for Animal Health
Founded as OIE

bulletin.woah.org

The World Organisation for Animal Health (WOAH, founded as OIE) Regional Representation for Asia and the Pacific developed an awareness-raising video for veterinary service personnel and stakeholders, explaining the need for veterinary workforce planning and development.

Inspired by regional workshops on the veterinary workforce and veterinary paraprofessionals, the video includes statements from valued colleagues.

WOAH (founded as OIE) is a global organisation, working to ensure the health of animals across the world. Since 1924, we have focused on the complexities of animal health. We disseminate information on animal diseases and use science-based strategies to limit their potentially negative impact on society.
