Public-Private Partnerships Reference Guide

Version 3

International Bank for Reconstruction and Development / The World Bank

3rd edition, 2017

238 pages

This Reference Guide aims to disseminate good practices on infrastructure and public-private partnership (PPP) policies and implementation.

It is available from the online PPP knowledge dissemination platform that the World Bank Group shares with other multilateral organisations.

[[Download the Guide from the PPP Knowledge Lab](#)]

The OIE is an international organisation created in 1924 with a mandate from its 182 Member Countries to improve animal health and welfare. Its activities are permanently supported by 312 centres of scientific expertise and 12 regional offices with a presence on every continent.
