

Launch of two new publications:

OIE Scientific and Technical Review on 'Ensuring safe trade in animals and animal products'

OIE Technical Item 2020 on 'Required competences of Veterinary Services for international trade'

Wednesday, 4 November, 13.30-15.00 (GMT+1, Paris/Geneva)

AGENDA

Opening by Alan Wolff, WTO Deputy Director-General, and Matthew Stone, OIE Deputy Director General (International Standards and Science), will be followed by presentations and a panel discussion by authors.

- Prof. Delia Grace Randolph, Natural Resources Institute, University of Greenwich & International Livestock Research Institute
'Trust in trade: a global perspective on health certification' and 'Informal trade in livestock and livestock products'
- Dr Mpho Maja, Directorate for Animal Health, Department of Agriculture, Land Reform and Rural Development, South Africa
'Compartmentalisation: an example of a national official assurance system'
- Dr Gastón María Funes, Ministry of Agriculture, Livestock and Fisheries, Embassy of Argentina to the European Union
'Disease-free zones: bilateral recognition procedure in South America'
- Dr Francisco D'Alessio, Deputy Head of Standards Department, OIE
'Required competences of Veterinary Services for international trade'

The event will be moderated by Michael Roberts, Head, Aid for Trade, WTO.

The event will be in English, and we regret that interpretation will not be available. Summaries of all articles in the [Scientific and Technical Review](#) are available in Spanish and French. The OIE Technical Item 2020 is currently available in English on the [OIE website](#) and will be available in Spanish and French as soon as possible.

REGISTER HERE

Places are limited so please register now to confirm your attendance. We look forward to your participation. For any queries about the event, please contact h.congdon@oie.int.

This event will take place on Zoom. The OIE, as a data controller, will process your personal data from the registration form for the purposes of organising this event. The data collected will be processed internally for the aforementioned purpose and communicated to the processors in charge of hosting and maintaining the OIE's webinar platform. The data will be kept for up to six months. You have the right to access and rectify your personal data, as well as to request erasure and obtain data portability under certain circumstances. To exercise these rights or if you have any questions about the processing of your data, you can contact our data protection officer at dpo@oie.int. For more information, see our Privacy Policy: www.oie.int/en/privacy-policy/.
