

Nairobi office

Farewell drink for  
Thomas and Chadia,  
on 25 Nov. We're  
already in the  
Christmas mood!

Science Dept.

Lunch and visit of the  
Fragonard Museum at  
the Ecole nationale  
vétérinaire d'Alfort.

Dan Donachie

(Left) Photo of a friendly young buck in Glencoe, Scottish Highlands. Met him when I walked out of the local pub during my Christmas holiday.

(Right) Photo of how I celebrated leaving travel self-isolation when I got to Scotland. I went on a run up in the hills and was treated to a cloud inversion, like being in the heavens.

WAHIAD Dept.

Celebrating the festive season  
hybrid style!

## The Amicale

Ana Luisa Pereira Mateus, Delfy Gochez, Gounalan Pavade, Javier Yugueros-Marcos, Morgan Jeannin and Rebecca Hibbard very patiently untangle lights during the Christmas tree decoration at HQ.

Gloria Benneth

Our colleague from the Preparedness and Resilience Department brings in the new year with style and elegance.

Sara Linnane

On a stroll with my sister in Central Park, New York City where we came across a red cardinal perched in a tree.
